STATEMENT UNDER 37 C.F.R. § 1.821(e), (f), And (g)

Sir:

The Sequence Listing filed concurrently herewith in the above-referenced application is identical to the Sequence Listing submitted on September 17, 2003, in the parent application having Serial No. PCT/US03/22440, filed July 17, 2003, of which the above-referenced application is a national stage application filed under 35 U.S.C. § 371. Accordingly, Applicants rely on the computer readable form, required by 37 C.F.R. § 1.821(e), which was submitted in application Serial No. PCT/US03/22440 in lieu of filing a duplicate computer readable form, as permitted by the applicable regulation 37 C.F.R. § 1.821(e).

In accordance with § 1.821(f), I hereby state that the paper copy of the Sequence Listing submitted herewith, the paper copy of the Sequence Listing submitted on September 17, 2003 in the parent application having Serial No. PCT/US03/22440, and the computer readable copy of the Sequence Listing submitted on September 17, 2003 in the parent application having Serial No. PCT/US03/22440, are the same.

In accordance with §1.821(g), I hereby state that the sequences contained in this sequence listing are supported in the application as filed. Neither the paper copy, nor the computer readable form of the Sequence Listing contains new matter.

Applicants believe that they have provided for all fees in connection with this filing. However, the Commissioner is hereby authorized to charge any under-payments or credit any over-payments to our Deposit Account No. 06-1448.

Respectfully Submitted,

Date: November 16, 2005
